

Dallas VA endocrinology rotation schedule

Computer access

It is the most important first step to start the rotation.

Please contact Robertson, Vicky L. VickyL.Robertson@va.gov , Ph. 214-857-1580 for your computer access.

Her office is at department of medicine office 8th floor building 2.

Please come before 8 am on your day 1 to get computer access from Vicky.

Please let me know if you cannot find her office.

Clinic location

There are two clinic locations

1. Clinic 4 at ground floor of clinical addition area, closed to main entrance of hospital and lab.
2. DM/Lipid clinic area on 8th floor of building 2 (take the elevator near the Starbucks and gift shop)

Clinic starting time

All AM clinic starts at 8 am except Friday morning due to medicine grand round and all PM clinics start at 1 pm.

We usually give a short lecture or discuss from 8 am to 8:30 am before clinic start.

Teaching Session

3 formal Sessions.

1. **Tuesday afternoon around 2 pm** – VA journal club or case discussion, Insulin pump training session.

We are planning do to the formal case discussion with nuclear medicine regarding PET scan, thyroid uptake scan, DXA and Sestimibi scan, etc.

2. **Friday morning Medicine grand round** : You are encouraged to attend medicine grand round on 8th floor at 8 am Friday.

3. **Friday afternoon UTSW endocrine lectures and grand rounds** : Friday afternoon 1 pm to 4 pm. There will be endocrine grand round and lecture at UT SW at UTSW endocrinology department on 6th floor Y building (room Y6.224) . Endocrine fellow or one of the attendings can give the lecture schedule of the week.
